Dear Central Parent(s) –

Welcome to Central Elementary School for the 2010-11 school year! Central Elementary is recognized as one of the Peninsula's finest public elementary schools. Our involvement as a community of parents is a critical factor to ensure Central continues this standard of excellence. **The Central PTA encourages you to join with us in putting our children first by becoming a member of the PTA.**

The Central PTA provides critical programs and resources that benefit *every* Central student. Examples of programs and resources that exist through the efforts of the PTA include:

- Art & Vocal Music Programs
- Student Tutoring & ESL teachers
- Computer Lab (laptops & staffing)
- Staff Development & Teacher Subs
- Expanding libraries in classrooms
- Community Activities
- Computers & Technology in classrooms
- Classroom materials
- Discovery Day
- Hot Lunch Program
- Educational Assemblies & Field Trips
- Parent Education

State funding alone does not provide sufficient resources to deliver the quality of education Central has historically provided. **The contribution requested to continue providing the programs funded by the Central PTA is $225 per student; however, contributions at any level make a difference.** With that in mind, we are hopeful that ***every* Central parent will participate in funding our PTA in the coming year**. Donations to the PTA are a *tax-deductible* means of enhancing your child's education.

How to Give: You can make a one-time donation, semi-annual, or monthly payments. We accept personal checks, payable to "Central PTA". Print and return the form below with your check to the school office PTA membership box, or mail to the school. If you have any questions, please contact PTA Membership at lisa@rsvpwest.com.

With your support, we can maintain the high quality of education that Central has historically provided. Thank you for your support of our children and Central Elementary!

Sincerely,
2010/11 PTA Executive Board
